

IMPORTANT NOTICE

FOGSI-ICOG MICOE-MRCOG (Part 1) Examination

- **14th** MICOE Part 1 examination is a combined MICOE & MRCOG (Royal College of Obst. & Gyn., UK) exam. (Part 1) will be held in India in **JULY 2019.**

- All those interested may please send an online/offline payment of approx. **427 £ (Sterling pounds)** payable to

“**RCOG**”

with a completed application form and a DD of

Rs. 20,000/-

in favour of

“**FOGSI**”

as ICOG fees to be paid to FOGSI / ICOG Office before

April 1, 2019.

This fee will include preparatory session of three days conducted by experienced teachers from India and abroad. The course will be in July & November every year conducted by the Indian College of Obstetricians & Gynaecologists of FOGSI.

- Candidate passing this examination will get certificate of passing both Part 1 of MICOE and MRCOG separately.

- **First-time applications must be accompanied by an attested copy of your primary medical degree certificate. Candidates unable to send in their primary medical degree certificate may submit their medical registration certificate instead provided it states their primary medical qualification and university of graduation with FOGSI membership number.**

- Please send your application for the **JULY 2019** examination urgently. For details and form contact, ICOG Secretary at icogoffi
