ICOG in association with Johnson & Johnson is organizing a 3 days' intensive Hands-on training program for 'Gynec Endoscopy Surgeries' from 26-28th December 2024. The course focuses on Laparoscopic & Hysteroscopic surgeries with special emphasis on the pelvic anatomy, retro-peritoneal dissection and skill enhancement of all the commonly performed endoscopic surgeries.

The main attraction of the course are 'Hands-on Live Surgeries' on the last day at Firm Hospitals and 'Live Hands-on sessions' in the wet-lab OT. There will be didactic video lectures by eminent endoscopic surgeons as well as 'laparoscopic Pelvi-Trainer' sessions and 'Hystero-simulation' sessions.

The objective of the course is to make the participants confident for performing laparoscopic & hysteroscopic surgeries safely and with ease.
