Learning...

ICOG FOGSI in collaboration with SAFOG in association with Johnson & Johnson conducted a 3day course "ENDOGEN" at Chennai on September 12- 14, 2024. The course focused on Laparoscopic & Hysteroscopic surgeries with special emphasis on the pelvic anatomy, retro-peritoneal dissection and skill enhancement of all the commonly performed endoscopic surgeries. The objective of the course is to make the participants confident for performing laparoscopic & Hysteroscopic surgeries safely and with ease.

We had 12 candidates. Course Convener is Dr. Mala Raj and Co-Convener is Dr.Damodar Rao.

Local Coordinators for the course are Dr. Tarun Joseph and Dr. Priya Lakshmanan.

Faculties were:

Dr. Parul Kotdawala

Dr. Mala Raj

Dr. Damodar Rao

Dr. Tarun Joseph

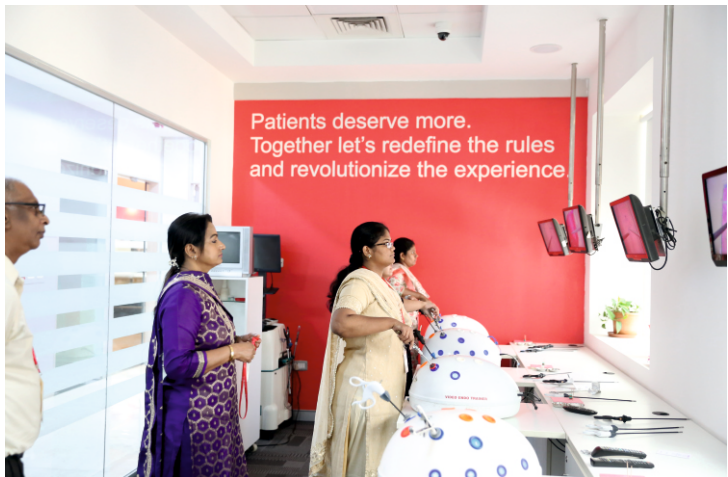

Dr. Priya Lakshmanan

On Day 1& 2: We had didactic lectures and video demonstration of Laparoscopic & Hysteroscopic surgeries. Training on Pelvi-Trainers and in Wet Labs were provided.

On Day 3, we had Live Surgical workshop at Firm Hospitals. Dr.Parul Kotdwala & Dr. Mala Raj were the surgeons. 5 surgeries performed – TLH with BS, Laparoscopic Myomectomy with Inbag Morcellation, Diagnostic Hysteroscopy with PRP Injection, Hysteroscopic Endometrial ablation with mirena insertion, Hysteroscopic Septal Resection.

The course was well appreciated and well received.

TESTIMONIALS

Thank you so much Dr Mala and team for the workshop earlier today, so glad I was able to book. I just wanted to let you know this was extremely helpful. A big thank you for making things clearer and for all your wonderful tips! Feels like getting through my Hysteroscopic and Laparoscopic surgeries will be a lot calmer now, once I put things into practice. I also want to express my sincere gratitude for your participation in these three days: Dr Poovizhi, Dr Parul Kotdawala Sir, Dr Damodar, Dr Tarun, Dr Priya and others. Your presence contributed immensely to the event's success, and we truly appreciate your support. We highly value your thoughts and tips and tricks as we reflect on the event and look towards improving future experiences.

-Dr. Chellappan Karupiah

Thank you so much ICOG ENDOGEN for the valuable training (Lectures, Practical sessions). It was incredibly informative and helpful, and I truly appreciate the effort and expertise team shared with us. I would also like to extend my heartfelt thanks to FIRM Hospitals and the team of Johnson's and Johnson's for their incredible efforts and support. Special thanks to Dr. Mala Raj, Dr. Parul, Dr. Damodar, Dr. Tarun, Dr. Priya, and the entire team. Looking forward to applying what I've learned!

-Dr Bajrang Soni

Thank you Dr.Mala Raj mam and team all faculty of endogen.Many practical tips and tricks were shared by faculty is really helpful to us to improve our skills and knowledge in laparoscopic procedures.Really another 1 to 2years many people become lap surgeon.It's a good initiative work for this current scenario. Once again, I thank you for your great effort mam.Really,I wonder for her good enriched attitude and hospitality towards all delegates.

-Dr. Maheswari Hariharan

Thank you ICOG Endogen and Johnson and Johnson team for giving this platform for learning.Sincere thanks to Dr. Parul sir and Dr. Mala mam for giving us enriching experience of endo gynaec procedures today.All the days gave manyhighlights and perspective in gyn endoscopy enabling us helping women better.Each and every faculty not only shared their knowledge I bow to their individuality unique style and passion. Dr. Parul sir's versatility extracorporeal suturing and Mala mam's demonstration of uterine artery ligation and her style of deep pelvic procedures like pectopexy. Priya mam and Dr. DamodarRao sir's teaching and Dr. Tarun sir lively presentation.Once again thanking everyone not only teaching inspiring with their passion and unique style.Wish to have such programmes in future.

-Dr.Usha.N

TESTIMONIALS

Thank you so much Dr. Mala mam and team for the enlightening session. Many practical tips, knowledge and their own experience on difficult cases will enrich us with more knowledge. Thank u all for the great initiative mam.

-Dr.Janani.J

I thank Dr Mala mam, Dr Parul sir, Dr Priya mam, Dr Damodar sir and all the team members for enlightening us with immense knowledge on Gynaec endoscopy. It was totally an academic feast which we all enjoyed. Please continue with these kinds of courses in the future for our benefit as well as the others who are passionate about Gynaec endoscopy. Thank you.

-Dr.Suganya Sevugaperumal

Thank you so much Dr Mala Mam, Dr Parul sir, Dr Damodar sir, Dr Tarun for providing us with enlightening sessions. Many practical tips on how to overcome difficult cases and the wet lab experience was illuminating. Thank you mam for the great initiative.

-Dr. Susan Mathen

My doubts were cleared correctly and I was surprised to see myself so interested in endoscopy. I extremely enjoyed the session and learnt a lot of new things. Please continue the good work.

-Dr. Anu Vigashini

Very informative and special thanks to our mentors who were very helpful. Thank you, team.

-Dr. Suganya Rajasekaran

*Thank
you!*
