WELCOME MESSAGE

Dear Friends,

On behalf of AOGS (Ahmedabad Obstetric & Gynaecological Society), one of the founder societies of FOGSI, we extend you a very warm welcome to Ahmedabad & Gujarat, the land of Mahatma Gandhi and Sardar Patel.

We are hosting the **9th ICOG-FOGSI Annual Conference on 18-19-20 October 2024**. ICOG (the Academic Wing of FOGSI) is always at the forefront of academic activities, research and trainings of fellow gynaecologists of India. ICOG also supports various scientific conferences by sponsoring sessions and awarding 'credit points'. The annual conference is the highlight of all the activities during the year.

The venue for the conference is the prestigious Karnavati Club conveniently located on S. G. Highway, Ahmedabad. We are planning to have 4 to 6 pre-congress workshops on 18th October. The main conference on 19-20 shall have orations, key-note addresses, panel discussions and scientific papers. Our focus in this conference shall be 'safe practice' as part of FOGSI theme this year '360 – Coordinate Communicate Community'.

You will enjoy your visit to Ahmedabad, the happening and first heritage city of India and housing the largest cricket stadium in the world. It also boasts of unique institutions of learning like Indian Institute of Management, Centre of Environment Planning and Technology, National Institute of Design. Ahmedabad is also the gateway for visitors to Gujarat; planning to go to Rann of Kutch, Statue of Unity, Gir-lion sanctuary and places of pilgrimage: namely Dwarka and Somnath.

So, Please block your dates and join us in this prestigious conference.

With warm regards,
